Home At Last

*We are all God's children,
From the morning hour of birth,
He lets us live and laugh and love.
And have our day on earth.
He guards us through the afternoon,
Till sunset's rays are cast,
Them one by one, with gentle words,
He calls us home at last.*

Her Journeys Just Begun

*Don't think of her as gone away
Her journey's just begun.
Life holds so many facets
This earth is only one.
Just think of her resting
From the sorrows and the tears
In a place of warmth and comfort
Where there are no days and years.
Think how she must be wishing
That we could know today
How nothing but our sadness
Can really pass away
And think of her as living
In the hearts of those she touched
For nothing loved is ever lost
And she was loved so much.*
