## *Her Journey's Just Begun*

*Don't think of her as gone away  
her journey's just begun.  
Life holds so many facets  
this earth is only one.  
Just think of her as resting  
from the sorrows and the tears  
in a place of warmth and comfort  
where there are no days or years.  
Think how she must be wishing  
that we could know today  
how nothing but our sadness  
can really pass away.  
And think of her as living  
in the hearts of those she touched,  
for nothing loved is ever lost  
and she was loved so much.*

### *Acknowledgement*

Perhaps you sent a lovely card or sat quietly in a chair.  
Perhaps you sent a floral piece If so, we saw it there.  
Perhaps you spoke the kindest words as any friend can say.  
Perhaps you were not there at all But just thought of us during this time.  
Whatever you did to console our hearts, We say thank you, whatever the part.
