Remember Me This Way

*When I come to the end of my journey
and I traveled my last weary mile
Just forget if you can that I ever frowned
And remember only the smile*

*Forget any unkind words I have spoken
Remember some good I have done
Forget that I've caused any heartache
And remember I've had loads of fun*

*Forget that I've stumbled and blundered
And sometimes fell by the way
Remember I've fought this hard battle
But God knows best at the close of day*

*Then forget to grieve for my going
I would not have you sad for a day
But in summer just gather some flowers
And remember the place where I lay.*
