He was educated in the Paterson School System and graduated from Eastside High School of Paterson, NJ.

## **MY LAST PARTY**

*When you come to my last party Don't come with faces long, But come with memories that are pleasant, In your heart, let there be a song. The place will be full of flowers, And I will be dressed grand. The only thing I shall be sorry for: I will not be able to shake your hand. When you come to my last party, I don't know yet how soon it will be, The daily paper will print the invitations That everyone might see. I am going to hold it in a church-like place, And no one will be turned away. At the place*

*where I hold my party Many of my friends will come to pray. When you come to my last party, We won't play any games, But there will be a register Where you may sign your name. As you stand there and sing my praises In voices so silently, Telling each other or thinking Of what good things you know about me. When you come to my last party, My Lord will host, Because 'tis he amongst all my friends Who really loves me most. He bore my cross at Calvary. He bears my cross today. When you leave He will still be with me To comfort me on my way. When you come to my last party, In spirit I'll be there, And as you stare at me Right back through closed eyelids At you I'll stare. And when you say that I look natural, That is as it should be, Because at my last party Who should look more natural than me? I did the best that I know how, It's up to God to take care of me now.*
