Our Grandmom

Our Grandmom was a special breed
sent from up above,
to step in from time to time
and smother us with love.

She was always in the kitchen,
Fixing plenty for us to eat.
The holidays were her favorite time,
she was never off her feet.

Her grandkids were her highlights in life,
they made her hair turn gray,
Always one for having fun,
with a dollar they would pay.

Grandmom always loved her sweets
she shared with all of us,
and she was known every now and then
to swipe all Britt's peanuts.

We'll all remember Grandma,
how special she made us feel,
Until we meet again someday,
Hey Grandmom its been real!!!! Dueces
