The Legend of A Diamond
Gone but, Never to be Forgotten!
Mother Donnie Lee Fulton

A TRIBUTE TO MOMMA

You taught us everything and everything you've give us, We'll always keep it inside. You're the driving force in our life. There isn't anything, or anyone that we can be, and it just isn't gonna feel right, without having you by our side.

You were there for us, to love and care for us, when skies were gray. Whenever we were down, you were always there to comfort us, and no one else can be what you have been to us. You will always be the girl in our lives for all times.

Mama, mama you know we love you ,Mama, mama you're the queen of our hearts. Your love is like tears from the stars. We just want you to know, loving you is like food to our soul.

You're always down for us, have always been around for us, even when we were bad. You showed us our right from our wrong. There were so many times, looking back when we were so afraid, and then you'd come to us, and say we could face anything. Never will go a day without you, fills us up just thinking about you. We'll never go a day without thinking about you mama.

You are the food to our soul!

Appreciation

The Family of Mother Donnie Lee Fulton wishes
to express this thought:

Perhaps you sang a lovely song or sat quietly in a chair;
Perhaps you sent beautiful flowers, if so, we saw them there;
Perhaps you were not there at all just thought of us that day;
Perhaps you prepared some tasty food, or maybe furnished a car;
Perhaps you rendered a service unseen, near at hand or from
afar; Whatever you did to console the heart,
We thank you so much—Whatever the part.

May God bless you.

The family appreciate your prayers, deeds of kindness,
thoughts of love, and your attendance at the service.
