I Am With You Still

I give you this one thought to keep
I am with you still, do not weep
I am a thousand winds that blow
I am the diamond glints on the snow
I am the sunlight on ripened grain
I am the gentle autumn rain
When you awaken in the morning "Hush"
I am the swift uplifting rush
Of quiet "Birds" in circled flight
I am the soft stars that shine at night
Do not think of me as gone
I am with you still in each new dawn.
