## *Obituary*

**Mable Caroline Smart** was born on September 4, 1923 in Springfield, New Jersey to the late George Senior and Ethel Hamler Garner. Mable entered heavenly rest on January 12, 2014 at the age of 90.

Mable worked at Summit Medical Group for twenty plus years. She enjoyed serving in God's Houses of Worship, holding office as President of the Usher Board for many years in her main place of worship. Reading was one of her favorite past times along with music and dancing. She also enjoyed socializing with many of her friends. She had a special talent of being confidant to many. In her later years she enjoyed traveling, weekly meetings and social events with the Vauxhall Seniors, watching her favorite TV programs: Western movies and Law and Order. Mable was such a "Classy Lady", who truly lived her life to the fullest.

Mable leaves to cherish her fond memories: her loving son, Thomas Richard Smart (Skipper); loving granddaughter, Gloria Renia Smart-Hatchett; grandson-in-law, DuVal P. Hatchett; three great granddaughters, Gloria Khaliyah Smart, Priscilla Renia Hatchett and Shante Lee; two great-great grandchildren, Xavier E. Campbell and Khaliyah M. J. Smart; and a host of nieces, nephews and friends.

Mable was preceded in death by her brother, George "GG" Garner and her sister, Etheleen Anthony.

# *A Mother's Love*

*A mother's love is everlasting though the flesh is gone. The memories of joy and laughter will still live on I will always miss your voice and your presence I will remember all of the times we shared. Don't worry I will move on I know life still goes on as I start my days and end my nights my mother's love will embrace me tight. Feeling your presence and knowing you're there letting me know I have nothing to fear. I will then close my eyes and squeeze real tight then I will have a good sleep.*

*Lovingly Submitted by your son, Skipper*

## *Acknowledgement*

*The family would like to extend their sincere gratitude and appreciation for the prayers and support during this time of transition.*
