I'm Free

*Don't grieve for me, for now I'm free.
I'm following the path God laid for me
I took His hand when I heard Him call,
I turned my back and left it all.*

*I could not stay another day
To laugh, to love, to work or play
Tasks left undone must stay that way
I found that peace at the close of day*

*If my parting has left a void
Then fill it with remembered joy,
A friendship shared, a laugh, a kiss
Oh, yes, these things I too will miss
Be not burdened with time of sorrow,
I wish you the sunshine of tomorrow
My life's been full, I've savored much,
Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief
Lift up your heart and share with me;
God wanted me now...He set me Free.*
