# *Forever In Your Heart*

*Feel no guilt in laughter  
She knows how much you care  
Feel no sorrow in a smile  
That she's not here to share  
You cannot grieve forever  
She would not want you to  
She'd hope that you would carry on  
The way you always do  
So talk about the good times  
And the ways you showed you cared  
The days you spent together  
All the happiness you shared  
Let memories surround you  
A word someone might say  
Will suddenly recapture  
A time, an hour, a day  
That brings her back as clearly  
As though she was still here  
And feels you with the feelings  
That says she's always near  
For if you keep those moments  
You will never be apart  
And they will live forever  
Safely locked within your heart.*
