*Asleep*

*I've closed my eyes and fallen asleep. So there's no reason for you to weep; This is a debt we all must pay. You will see me again someday. I've endured pain and sometimes sorrow, Now I don't have to worry about tomorrow. But life for you must go on, You must not worry because I'm gone. You stood beside me all the way, When I was down, you knew what to say ... You always told me, "get some rest," Let me sleep now, I've done my best. So please let me rest in peace, The tears you're shedding soon will cease. You'll soon realize this was meant to be, I thank God because He came for me.*

## *Message for mom from Grandkids-*

Miss you Grandma, We love you Grandma!!!!

Grandma, you're the sunshine of all of our lives and our home away from home. We'll always miss the way your face used to light up when you saw or spoke to us. We'll always miss the super early phone calls on our Birthday's and Holidays. We'll always miss your funny jokes and great advice for each one of us. Although you're no longer physically here, we know deep in our hearts and souls that you'll always be with us shining down, like the Angel you are. Until the day we see you again, we'll keep you alive in our memory and thoughts and will never forget all the love you've shown us every day of our lives. Grandma we will continue to make you proud and we'll continue to reach for the stars.

Love you forever and always,  
Ashley, Earl, Sadu and Aaliyah-

## *Here with you always Poem-*

Wipe your tears, don't you cry. The time has come to say goodbye. My flesh is gone that's crystal clear, Like the sunset I'm always there...  
I had to leave, I could not stay, weep no more: it's a joyous day. Believe me I know, it's too much to bear; like the sunset I'm always there...  
Thoughts of my heart, throughout the days, my smile remnants through hues and ways. The legacy lives on solely in prayer. Like the sunset, I'm always there...  
Although I rest in my eternal sleep, I gave you all valuable treasures to keep. A lifetime of memories and lessons to share. Like the sunset, I'm always there...
