When I Must Leave You

*When I must leave you for a little while
 Please do not grieve and shed wild tears
 And hug your sorrow to you through the years
 But start out bravely with a gallant smile
 And for my sake and in my name
 Live on and do all things the same
 Feed not your loneliness on empty days
 But fill each waking hour in useful ways
 Reach out your hand in comfort and in cheer
 And I in turn will comfort you
 And hold you near
 And never, never be afraid to die
 For I am waiting for you in the sky!*
