May I Go Now?

May I go now? Do you think the time is right?

*May I say goodbye to pain - filled days
and endless lonely nights?*

*I've lived my life and done my best, an example I tried to be,
So can I take the step beyond and set my spirit free?*

I didn't want to go at first, I fought with all my might.

*But something seems to draw me
now to a warm and loving light.*

I want to go. I really do. It's difficult to stay.

But I will try as best I can to live just one more day,

*To give you time to care for me
and share your love and fears.*

I know you're sad and so afraid, because I see your tears.

*I won't be far, I promise that, and hope you'll always know
that my spirit will be close to you, wherever you may go.*

Thank you so for loving me. You know I love you too.

*That's why it's hard to say good-bye
and end this life with you.*

*So hold me now, just one more time
and let me hear you say,*

because you care so much for me, you'll let me go today.

Acknowledgement

acknowledge with deep appreciation the many expressions of
