“I Will Miss You”

I like to walk with grandpa his steps are short like mine. He doesn't say now hurry up he always takes his time, most people have to hurry they don't stop and see, I'm glad that God made grandpa unrushed and young like me.

Anisha L. Schofield

You are near even if I don't see you, you are with me.
Even if you are far away, you are in my heart,
in my thoughts, in my life always.
