## *Ciao Bella*

You can shed tears that she is gone  
or you can smile because she has lived.

It was 65 years ago that an Angel landed on Earth  
she was our prize possession, you can't measure her worth.

She could only stay with us for so long.  
I find myself reminiscing every time I hear your songs.

Many called her Aunt Few called her Nana and  
Three called her Mom but the list of lives she touched goes on and on.

Heaven needed an angel, so God sent for you  
broken, bent, and weary she strapped up her boots.

"Y'all gone miss me when I leave "  
I remember her saying to me.

She lived to please everybody  
and every day we saw her wings.

It wasn't the perfect timing, but it was God's plan  
so I didn't beg and plea because I was trying too hard to understand.

You can shed a tear that she is gone or  
you can smile because she has lived.

She was an Aunt to many  
Nana to few and Mother to three  
But heaven needed an Angel and God sent for you.

Ciao Bella!

Lovingly submitted by,  
Granddaughter,  
Tierra Knight
