Family and Friends

If tears could build a stairway
And thoughts a memory lane
I'd walk up to heaven
And bring you home again
No farewell words were ever spoken
No time to say goodbye
You we're gone before I knew it
My hearts still active in sadness
And secret tears still flow
What it meant to lose you
No one will ever know
But now I know you want us
to mourn for you no more
Since you'll never be forgotten
I pledge to you today
A hallowed place within my heart
is where you will always stay
God knows why with chilling touch
Death gathers those we love so much
And what now seems so strange and dim
Will all be clear when we meet Him
I knew you for a moment
