Celebrate

*I've lived my life and done my best,
An example I tried to be;
So, can I take that step beyond
And set my spirit free?
Celebrate my life
And remember all that's good.
I want this to be clear
And well understood.
There will be a time and season
Where we all will meet again,
Then you will understand
That's when life really begins.
Cry no more, because I no longer cry
Hurt no more, because I am no longer in pain.
Grieve no more because I have found peace.
Praise be to the Almighty.*
