## Obituary

**Thembi Jonelle Daniels** was born on December 5, 1971. She was born in Harlem Hospital to Nettie Carmichael and Rosslyn Daniels.

Thembi grew up in River Park Towers where she attended C.I.S. 229 in the Bronx, NY where she graduated. While she was a student at 229, she joined a dance group where she and her dance group performed at several talent shows. She also was in the Cadet Core where she marched in parades and twirled her baton. She also attended ballet classes where she also performed at recitals.

She then attended Walton High School also in the Bronx where she graduated. After a short break the group got back together where they performed at places like the Kipps Bay Boys Club, where they won first place. They also performed at Lehman College and Bronx Community College all in Bronx, NY. They also performed twice at Amateur night at the Apollo and made it to first place twice.

Her hobbies included knitting, roller skating, swimming and reading books. She was a collector of magazines, stuffed animals and animated characters. # *Revelation 21:3-4*

*With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.*
