Reflections of Life

Celebrating the life of our angel "Jackie"

57 years ago in God's best interest, Carole and James Streeter were blessed with a baby girl. She made her debut on November 2nd, 1956 in Brooklyn, NY. They named her "Jacqueline" known to most as "Jackie".

In the early 1960's, the family relocated from Brooklyn, NY to Saint Albans, Queens. This is where Jackie spent her childhood and made many friends with who still remain dear to her today. She attended Benjamin Cardozo High School in Bayside, NY. After High school, Jackie worked for American Express and later the Charosa Foundation.

In 1981, Jackie was taking a stroll in her neighborhood of Saint Albans when a man who was so intrigued by her beauty rolled his car up on the sidewalk and cut her off. Jackie took his number and said "I'll call you". Well it's a good thing she did, two years later in June of 1983; she married that same man, Michael Love. In August of 1983, Jackie and Michael welcomed their baby girl "Mercedes". They remained married for 5 years.

But love was not over for Jackie; she later met and married Mr. Roland Caldwell. They shared years of wedded bliss, always traveling up and down the east coast. You could find her by the pool and him by the golf course. Jackie and Roland enjoyed each moment together until he was called home in April of 2007.

For those who knew Jackie, they knew her to be a free loving spirit. Full of energy, always laughing, dancing and cracking jokes. She was the life of the party. The simple things brought her joy! She was a great swimmer, put her near a pool or beach and she was happy.

This past July along with the help of her cousins Stephanie and Eartha, they organized the family's first reunion which took place in Santee, SC. Everything happens for a reason because Jackie was able to reunite with the family one last time.

On Friday September 12, 2014 God sent his angels down to bring Jackie home. It was a beautiful day out, sunny and warm, the kind of days that she lived for. The day resembled much of her personality.

Bittersweet, it was the day she was able to reunite with her parents Carole and James, husband Roland, Cousins Mary, Calvin, Deidra, Anthony and sister in law Nesie and a host of many family members and friends in heaven.

Jackie leaves behind to cherish her memory, one daughter Mercedes Love of Queens, NY. One sister Myrna Rolon of Queens, NY. One nephew Christopher Streeter of Queens, NY One great Niece Soraya of Queens, NY. Cousins Stephanie and Eartha Johnson of Miami, Fl. God also blessed her with a second set of parents Gloria and Ruppert Becco of Queens, NY. Best friends since childhood and beyond Chaz, Leah, Patricia, Butch, Cynthia, Lisa, Pat, and a host of cousins, extended family and friends.

Footprints

One night a I had a dream. I dreamed I was walking along the beach with the LORD. Across the sky flashed scenes from my life. For each scene, I noticed two sets of footprints in the sand; one belonged to me, and the other to the LORD.

When the last scene of my life flashed before me, I looked back at the footprints in the sand. I noticed that many times along the path of my life there was only one set of footprints.

I also noticed that it happened at the very lowest and saddest times in my life.

This really bothered me and I questioned the LORD about it.

"LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The LORD replied, "My precious, precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."
