## Obituary

**Clarice “Mickey” Temple** was born on September 7, 1947 in Wake Forest, North Carolina to the late, Granville Temple and Senora Shackelford. She was the youngest of seven siblings, four who preceded her in death, her brothers, James and Willis and her sisters, Catherine and Ida Mae. She departed this life on Saturday, September 13, 2014 at the Bronx Municipal Hospital (Jacobi).

Clarice received her education throughout the New York Public School System. She was a graduate of Curtis High School in Staten Island. In her early years, she was a Civil Service worker, employed with the Department of Motor Vehicles and Human Resource Administration.

She enjoyed life to the fullest. She later met the love of her life, Mr. Charlie Traini, with whom they became parents of a handsome baby boy, Anthony. He is Clarice's one and only child. Who was Clarice? She was a Mother, Sister, Aunt, Niece, Cousin, Friend and yes, a Babysitter when needed. She was the type of person that would put you in check. She loved you good or bad. A unique person in her own way, very outspoken and straight to the point. To know her was to love her.

Clarice! Yes, you are gone from us way too soon. But, we know you are in a better place, no longer suffering. For the Bible says in 2 Corinthians 5:8, “To be absent in the body, is to be present with the Lord.” Only you knew what relationship you had with our Heavenly Father. So we say to you our beloved, “Sleep and take your rest, we shall see you again.” You are embedded in our hearts forever.

Clarice “Mickey” leaves to cherish her fond memories, son, Anthony Temple of the Bronx, NY; granddaughter, Ashley Cropper; two great grandchildren, Corey and Alonna of the Bronx, NY; sisters, Mary Alston and Magdalene (Maggie) both of the Bronx, NY and a host of nieces, nephews, cousins and a few selected friends.

## *Son's Love for a Mother*

Mommy,

Oh, how I am going to miss you, my beautiful Queen. Growing up was difficult, we had our share of ups and down. I wasn't the best kid, nor was I the worse. The most important thing was that I finally got it together, before you closed your eyes, and took your last breath. It wasn't how I started out that mattered, but it's how I finished. I am going to miss you my Queen. But I know in my heart, you will be with me every second, minute and hour. Even when the tears begin to flow, and it seems there's nowhere for me to go. I will reach in my memories, for it is there that I will find those precious memories that will linger forever.

Love you much!  
Your son, Anthony
