## *The life of Cody James DuBose*

*To everything there is a season, and a time to every purpose under Heaven; a time to be born, and a time to die; A time to plant, and a time to pluck up that which is planted; Ecclesiastes 3:1-2*

**Cody DuBose** was born on May 28, 1989 to Deborah Ann Moten and James Anthony DuBose in Harlem, NY. Cody was the only child of Deborah Moten, a loving adorable little brown boy with big ears and a smile that could brighten anyone's cloudy day. He was always an inquisitive and wise young man who was intelligent, loving, and full of life. To know him was to love him... Cody attended Rice High School where he earned a full basketball scholarship. He later went on to continue his education at LaGuardia Community College. Cody had a special presence about himself. He took great pride in his appearance. He loved fashion and to always look good. He enjoyed the outdoors, had a passion for basketball and spending quality time with those he loved most, family and friends.

At the Age of 21 Cody became a father of a beautiful little girl. His twin Dakota who he loved unconditionally. She was his pride and joy.

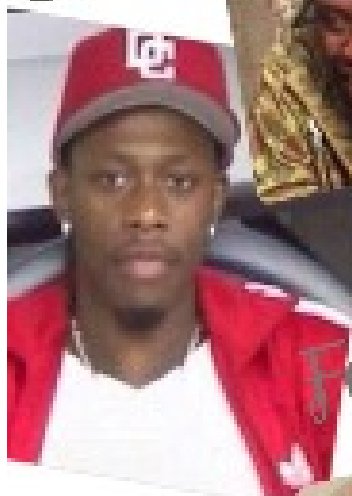

On September 27th, Cody DuBose gained his wings and was called home where he was reunited with his beloved grandmother, Sarah Mae Moten, and grandfather, Ernest James Moten.

Cody's memories will be cherished by his mother, father, daughter and a multitude of family and friends.. He will be missed tremendously by many.

*Sometimes it's hard to understand why some things have to be. But in his wisdom God has planned, beyond our power to see. So looking back in tenderness, Along the road we trod, We cherish the years we've had with you, and leave the rest to God.*

# *To my Daddy!*

My Daddy really loved me,  
he said it from day one. He was the first parent  
To hold me when I came into this world..  
To daddy I was a princess, his world, his everything & although he  
Only had 4 years to show it before God called him Home he made  
sure he gave me nothing but unconditional love hoping that it will  
last a life time. Worry no more Daddy rest & don't worry about me,  
I'll always remember that special smile,  
That caring heart, That warm embrace, You always gave me.  
You being there for mommy & me  
Through good & bad times, No matter what.  
I'll always remember you daddy  
Because there will never be another one To replace you in my heart,  
And the love I will always have for you.  
I love you Daddy!

## *A Letter 2 My Soulmate, Our King, Our Everything..*

As I sit here & write this letter with my heart in pain, my eyes full of tears I cant help but to remember our times together good, bad & indifferent, the million memories I have of you, us, our family times, babe will last forever & everyday I look at our princess, your twin I will continue to strive to make what once was our dreams become possible, to make sure our baby girl always remembers that she was her daddy's everything & the love you had for her was so unconditional.. Today I realize that God made no mistake by putting you in my life when he did & I will forever believe that you was my earth angel he blessed me with you to help me get through the obstacles I was facing at the time... The lessons I've learned he wanted me 2 learn them with no one other then you.. So as I always say despite me being hurt I still know all the ways I was blessed through our journey.. With growth change has 2 happen so I'm gonna work hard on being strong cause I know that is what you would want I Can hear you now "Babe be strong for our Baby girl & let go of the anger".. So for you, my soulmate, our king, my everything. I'll always appreciate the blessings I was blessed with in the past 15yrs that I had u in my life & cherish the memories we made. As always I will keep you in my heart & prayers.. There was & will never be NO LIMITS to our love for you.. For forever & a day you will be our king..  
R.I.P until we meet again..

## *To Those I Love*

To those I love and those that love me,  
When I am gone, release me, let me go  
I have so many things to see and do  
You mustn't tie yourself to me with tears  
Be happy that we had so many years.  
I gave you my love, you can only guess  
How much you gave me in happiness  
I thank you for the love you each have shown  
But now it's time I travel alone  
So grieve for a while for me if you must  
Then let your grief be comforted by trust.  
It's only for a while that we must part  
So bless the memories within your heart  
I won't be far away, for life goes on  
So if you need me, call and I will come  
Though you can't see me or touch me,  
I'll be near  
And if you listen with your heart you'll hear  
All my love around you so soft and clear  
And then, when you must come this way alone  
I'll greet you with a smile and say,  
"Welcome Home."

## *A letter to my son*

I'm sitting here wondering  
what you doing.. I know you're  
busy.. But when you get a  
chance can you come & talk to  
me. Comfort my heart, share  
with me your last thoughts. I'm  
so sorry I wasn't there to look  
into your eyes. But you always  
prayed that if your life was cut  
short that you never wanted  
me to be a witness well my  
love, God answered your  
prayer. Our bond was strong  
we were each other's strength  
we were friends, each other's  
ride or die. There was nothing  
that you couldn't talk to me  
about but most of all I was  
your mother & you was my  
everything.
