In God We Trust

It was just like yesterday when I saw your face but now that you're gone I don't know what to do. Even though in my heart I know you're in a very special place. So don't say goodbye. It's more like seeing you later as you head into the arms of the Lord who we believe in. May your soul rest in peace as I sit back wondering what our lives could have been like but now that you're gone all I have is beginning memories.

Acknowledgements

The family wishes to express their deepest and most sincere thanks to all who shared with them in this time of sorrow. May God bless and keep you in a most gracious way.
