Feel No Guilt

*Feel no guilt in laughter
She'd know how much you care
Feel no sorrow in a smile that she is not here to share
You cannot grieve forever, she would not want you to
She'd hope that you could carry on the way you always do
So, talk about the good times
And the way you showed you cared
The days you spent together
All the happiness you shared
Let memories surround you
A word someone may say will suddenly recapture a time
An hour, a day that brings her back as
Clearly as though she were still here
And fills you with the feeling that she is
Always near for if you keep those moments
You will never be apart
And she will live forever
Locked safely with in our hearts*

~Cathay Washington
