### <u>Obituary</u>

**Leron Marshall Dula** was born in Caldwell County, NC on October 22, 1938 to Magdalene Witherspoon and Vincent Dula. He departed this life on November 23, 2014 at the New Community Extended Care Center in Newark, NJ. Leron primarily lived with his grandparents and his aunts and uncles during his childhood. They all attended the First Baptist Church in North Wilkesboro, NC and participated in Sunday School, Vacation Bible School and regular church services. Leron was also educated in Wilkesboro.

**Leron** later moved to New York City and became known as the "handy man" in several lines of work. He was injured on one of these jobs and became disabled.

Leron was an easygoing person in general. When he was told about some great news event his favorite word was, "Unbelievable". Many of his uncles fondly called him the "Ice Man" because he was so cool, especially when he was told he looked like Sammy Davis, Jr.

On Sunday nights we all gathered for "special family fellowship" and closed with a sentence prayer.

**Leron** had a special song he liked; one that seemed he was preparing for this day.

**Leron** leaves to cherish his memories: his mother, Magdalene Fuller; one sister, Elaine Wilson; her children, Wesley and Brian; his aunts, uncles and cousins; and a host of others.

"Leron we love you. God loves you best. Rest in Peace."

Lovingly, The Family

# To Those I Love

To Those Whom I Love And Those Who Love Me When I am gone, release me, let me go I have so many things to see and do You must not tie yourself to me with tears Be happy that I have had this many years I gave you my love, you can only guess How much you gave me in happiness I thank you for the love each has shown But now it is time I travelled on alone So grieve a while for me, if grieve you must Then let your grief be comforted by trust It is only for a while that we must part So bless the memories in your heart I will not be far away, for life goes on So if you need me, call and I will come Though you cannot see or touch me, I will be near And if you listen with your heart, you will hear All of my love around you soft and clear. Then, when you must come this way alone I will greet you with a smile and say, "Welcome Home,"
