I've Changed Address/Moving In

Dear Family and Friends,

I want you to know that I've changed my address from 206 Myrtle Ave, Irvington, NJ. I RECEIVED A CALL FROM GOD, the chief architect, who informed me that my Place was ready on December 1, 2014. You know that I have been sending my timber and only the chief carpenter Jesus Christ could do. Some were a little broad, or not long enough. Well, my new home is finished now and it is such a beautiful sight to behold! It is located in an exclusive estate area and it sits behind beautiful pearly gates just off a serene celestial shore. I've crossed the Great Divide. I know there's no sorrow or crying, because I've reached the other side. I am so happy to be here, for the Lord Himself I see.

My New Address Is:

Mother Waver Jackson
12 Gates to the City Avenue
OFF: Psalm 119 Jesus Way
New Jerusalem, Heaven 77777

Of course the streets are paved with gold and every day is Sunday here, I have been told. I've lived many places before my new home was prepared and none of the others compare. I now live forever with Jesus in my new home in the sky. I have no burdens or heartaches and from tears I am now free. There is peace, joy, and happiness here with no pain to bear. There is only sweet serenity everywhere. I could go on and on about my new home, but I have to get fitted for my wings.

Love You All,

Mama

P. S. I don't have a phone yet, just call God. If you don't have the number, He is listed in the Holy Book on every page.
