Reflections of Life

The Life of A Super-Dad...

Jimmie was born on December 10th, 1953 in Marion County, South Carolina to Julius and Carrie (Moody) Page. He was the seventh of eight siblings.

Jimmie attended the Paterson Public Schools and graduated from Passaic County Technical High School in 1972. From there Jimmie furthered his education at Fairleigh Dickinson University, where he received a degree in Education, but he later discovered that wasn't his calling. He began driving trucks, then left that alone for a little while. Then he accepted a position at Label Graphics in Little Falls, NJ, where he was employed as a Shipping Manager for twenty-seven years and later retired in December 2013.

Jimmie loved spending time with his children, grandchildren and his two great grandchildren. Our father loved when we cooked Sunday dinners. Jimmie loved his grandchildren dearly, and there's nothing he would not have done for them... I mean nothing at all!! He enjoyed long talks with his granddaughter, Ozzie and long laughs with her, especially with Ozzie telling her Papa she needed forty dollars every week. He enjoyed his summer with his great granddaughter, Aaliya and he had a ball with her. Jimmie also enjoyed watching ID Discovery Channel, Jeopardy game show and football games.

He was such an awesome father, brother, uncle and of course grandfather.

Jimmie was predeceased by his parents, Julius and Carrie (Moody) Page.

On Wednesday, December 10th, 2014, Jimmie Page of Paterson, NJ accepted his crown and key to enter into Heavens' door. He departed this life peacefully, surrounded by his children, and Brother Elijah on his birthday at St. Joseph's Regional Medial Center in Paterson, NJ.

He leaves to cherish precious memories: three children, Trenisha Jackson of Lodi, NJ, Nicholas Jackson of Paterson, NJ and Genine Jackson of Paterson, NJ; six grandchildren, Kassuan Jackson, Shamir Jackson, Qua'Tier Jackson, As'Neshra Francis, Nizaire Jackson and Kayden Gasden; two great grandchildren, Jeremyah Davis of Paterson, NJ and Aaliya Jackson of Greensboro, NC; seven siblings, Virginia Sims (Marion) of Paterson, NJ, Elijah Page (Joan) of Paterson, NJ, Betty Page of Detroit, MI, Lula Page of Charlotte, NC, James Page of Tampa, FL, Willie Page (Suzanne) of Garfield, NJ and Herman Page of Dallas, TX. Jimmie is also survived by a large extended family in Paterson, NJ and the Carolinas as well as a host of nieces, nephews, his devoted buddy, Clinton who was more like a brother, his devoted friend, Flossy as we all call her Bamma, and his Vegas buddy, Jimmy V. and many other friends from Label Graphics and Advantage Building Supply.

*Tributes from people who has encountered
such an Amazing Man...*

Dad was a humble man, and a much loving man, he was caring and always gave a hand to help, and others. I know he wouldn't want us to focus on the sadness of his passing, but instead focus on the happiness that he gave to all he encountered... A man as humble and loving as Grandpa will always be remembered by all who knew him and loved him. His smile, jokes, love, we take consolation in the good feelings of our memories. The time that I knew him Grandpa loved to read his newspaper, watch the football game, and he sure did love him some crab legs. I will never forget him, you were a role model and friend, your guidance, and love will carry me through to the end of my days...Until we meet again Pop.

I would like to say Jimmie Page was a good family man, and I wish we could've spent more time together. I have a lot of respect for this man. He showed me love as if I was apart of the family. And he did a "great" job at taking care of his family, as well as showed love, don't mourn a lost today, celebrate a man who's in a better place, which is Heaven. Sleep in peace Jimmie...

You Had To Go Too Soon...

During the day I have to be strong
I try so hard to show that nothing is wrong.
But at night my tears will flow,
it was just so sudden you had to go.
People keep asking if I'm ok,
The answer is no but its yes I say.
I'm trying to move on,
But it's just not fair that you're gone...
I do not have any hate in my heart,
But I was not ready for a new start.
It started out a normal day,
and with one phone call it all went gray.
As Genine, packed you a bag,
I said you would not die,
when the doctors piled in I said it was a lie.
All I wanted was to see my dad,
all those doctors made me mad.
I didn't want anyone else to see you that way,
but no matter what I had to say,
Your skin was so cold as I gave one last kiss
You dad are the one that I will always miss...

Love Your Daughter,
Trenisha

Daddy...

There are so many questions that I need answers to,
But now that you're gone there's no way to ask you.
However there are still photos to remember you by,
Each time I look at them, I still want to cry.

They say grief is easier to bear as times goes by,
But that doesn't stop me from wondering why?
Why my dear, sweet dad was taken so soon,
When he was my guiding star, my sun and my moon.
There are no answers to a question like this,
So I'll cherish your memory and mourn the years we'll miss.

Lovingly Submitted,
Your Daughter, Trenisha

Acknowledgement

A special thank you from the Jackson, Page and Moody Families. We thank each, and everyone for the kind words and phone calls. Thank you could never take the place of how our family has felt about the care our father received from St. Joseph's ICU, the doctors and nurses were amazing. Not one of them showed signs, that they didn't care...Again Thank You!
From his Children's hearts to yours!
