## *Ebony and Her Beloved Mom, Lisa Together Again*

### *Hear, Speak, See!*

By: Ebony Harris

Hearing the wind and the noises it makes I can hear my mom's voice.

When I sleep I can feel her hands smoothly going across my cheek when alone and by myself feeling down because I can't see her and hug her.

I can hear her saying, "It's ok."

I walk into the bathroom where it's dark to see her face but it's just dark. She's not there to wake and to walk to her room to know she's not there. It hurts more than anything to know she won't be there in presence but I know she'll be there in spirit.
