# *Life's Reflections*

## *Sharell Monique Pettaway*

*On January 11, 2015, **Sharell Monique Pettaway** age 27 went home to be with the Lord after a long illness she battled with. Born in Trenton, New Jersey on April 8, 1987 Sharell was raised by her mother Patricia Pettaway and father Gregory Proctor. Sharell's mother Patricia also went to be with the Lord in 2005.*

*Sharell was educated in Trenton Public Schools. Sharell was a very talkative person and loved meeting new people. She would sit and talk to you until you fell asleep while she was still talking. She loved watching movies and loved for you to sit with her and watch them. Her favorite movie was *Girl Interrupted*. Sharell would cry in a minute, she had a very soft heart and a loving heart. Whenever you did something for her or said anything to her she would cry with much gratitude. She had a spirit of love.*

*During Sharell's sickness, Sharell was told that she could not have children or she shouldn't have any, but Sharell had a son that God blessed her with and he meant the world to her. She named him "King". Sharell guided him with love even when she was feeling bad, but God blessed her with two sisters and a brother that helped her with the joy that God had given her.*

*So with that and sharing a brief of Life's Reflections of Sharell, she leaves to mourn her passing, her loving Maternal Grandmother Dorothy Pettaway of Trenton, New Jersey, her father Gregory Proctor of Florida. Her one and only son, King Pettaway of Trenton. Two Loving sisters, Shanell and Shabree Pettaway of Trenton, one brother Gregory Pettaway of Trenton. Four Uncles, Monty Pettaway (Cynthia Pettaway), Samuel Eugene Pettaway, Alexander Pettaway all of Trenton, Freddie Proctor of Florida. Three Aunts, Cheryl Pettaway-Hagler of Trenton, Linda and Gwen of Florida. A host of cousins and friends all of Trenton.*

# *May I Go Now*

*May I go now  
Do you think the time is right?  
May I say goodbye to pain - filled days  
and endless lonely nights?  
I've lived my life and done my best,  
an example tried to be,  
So can I take that step beyond  
and set my spirit free?  
I fought with all my might,  
but something seems to draw me now,  
To a warm and lovely light.  
Thank you so for loving me,  
you know I love you too.  
That's why it's hard to say goodbye  
and end this life with you.  
So hold me now just one more time  
and let me hear you say,  
Because you care so much for me,  
you'll let me go today.*
