BEYOND THE SUNSET

*Should you go first and I remain to
walk the road alone, I'll live in
memories garden dear, with happy
days we've known In spring I'll wait for
roses red, when faded, the lilacs blue. In
early fall when brown leaves fall, I'll catch
a glimpse of you.*

*Should you go first and I remain, for battle to be fought each
thing you've touched along the way will be a hallowed spot. I'll
hear your voice, I'll see your smile though blindly I may grope,
The memory of your helping hand will buoy me on with hope.*

*Should you go first and I remain, one thing I'll have you do: Walk
slowly down that long long path, for soon one day I'll follow you.
I want to know each step you take, so I may take the same. For
someday down that lonely road you'll hear me call your name.*
