Miss Me, But Let Me Go

*When I come to the end of the
road and the sun has set for me,
I want no rites in a gloom filled room,
Why cry for a soul set free?*

*Miss me a little-but not too long,
and not with your head bowed low.
Remember the love that we once shared,
Miss me-but let me go.*

*For this is a journey that we all must take,
And each must go alone.*

*It's all part of the Master's plan,
A step on the road to home.*

*When you are lonely and sick at heart,
Go to the friends we know.*

*Laugh at the things we use to do
Miss me-but let me go.*
