I believe in angels
Only God can teach someone to love that way
Yes I believe in angels
Did you see the light in her smile?
You'd think He blessed her with pieces of the sun
And her hugs,
She could pat you down with a million "it'll be ok's"
And In her honor I believe in angels
Now we're all wondering if memories we shared
Were just peeks into what heaven would be like
But angels don't come with explanations
In fact , the only thing that's guaranteed
is that God will call them home

We all heard Him, but after seeing wings like hers,
Who would ever want to watch them go?
Yet He called, and she struggled to spread her wings
Might've forgotten she even had them
But angels are made to fly
And so she did
...What a life, & what impeccable wings
-We love you, Nanny

Perhaps you sent a lovely card or sat quietly in a chair.
Perhaps you sent a floral piece If so, we saw it there.
Perhaps you spoke the kindest words as any friend could say.
Perhaps you were not there at all just thought of us on that day.
Whatever you did to console our hearts, We Thank You, Whatever the part.
