To My Dear Sister,

First I want to thank Jehovah God, for giving you a great life, and you for a good relationship throughout our lives. Thank you for teaching me to shoot marbles.

Sorry you could never win after that, sorry I had to follow you during the summer because mom told me. So for now rest in peace see you when you awake. Yes you will wake up, because Jehovah God say in his work at John 5:28 do not marvel at this because the hour is coming in which all those in the memorial tombs, will hear his voice and come out. Those who did good things to a resurrection of life those who practice bad things to a resurrection of judgement, God Cannot Lie,
Love Alonzo

Perhaps you sent a floral piece If so, we saw it there.

Perhaps you spoke the kindest words as any friend could say.

Perhaps you were not there at all just thought of us on that day.

Whatever you did to console our hearts, We Thank You, Whatever the part.
