Tribute to our Grandmother

Known for her ease in frequent conversation with even total strangers, some may be surprised to learn of moments of extreme shyness, seemingly deep in thought.

She possessed a contagious smile and an entertaining sense of humor. Throughout her life she maintained a sweet and simple demeanor that won the trust and hearts of many; who even now, are being changed by her witness of constant nurturing, love and faith.

Her signature gift of joy, shown through her constant smiling, laughter, and love, will never be forgotten!
