## Obituary

### ~ In Life ~

Whether he was known as **Paul**, **Jerry**, or **Cooly** he was one and the same.

Paul grew up in Harlem, New York. His education came through the New York City Public School System where he graduated high school and continued on to college for 2 years. *He will be missed.*

Paul served time in the military – he was a survivor; somewhat of a warrior, he was street-smart as well as book-smart. He listened when you talked to him, paying attention to the smallest details. Yet he didn't talk a lot, he wasn't a *know-it-all*. *He will be missed.*

Paul was a generous person; willing to share whatever he had. *He will be missed.* He was talented. He loved clothes. He was great at sketching and an expert at sewing clothes. Perhaps he should have been a fashion designer!

He loved to sing, and because he was bi-lingual, he would often sing in Spanish as well as in English. He loved music; oh those old songs. Paul loved his family; his children, one of whom recently passed away. Paul loved life. *He will be missed.*

### ~ In Death ~

Paul leaves behind his daughters, family, friends and a host of relatives.

Paul, we already miss you. Rest in Peace.

## *I'm Free*

*Don't grieve for me, for now I'm free  
I'm following the path God laid for me  
I took his hand when I heard Him call  
I turned my back and left it all.*

*I could not stay another day.*

*To laugh, to love, to work or play.*

*Tasks left undone must stay that way,  
I found that peace at the close of day.*

*If my parting has left a void,*

*Then fill it up with remembered joy.*

*A friendship shared, a laugh, a kiss,*

*Oh, yes these things I too will miss.*

*Be not burdened with times of sorrow,*

*I wish you the sunshine of tomorrow.*

*My life's been full, I savored much.*

*Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief,*

*Don't lengthen it now with undue grief.*

*Lift up your heart and share with me,*

*God wanted me now, He set me free!*
