My Brother

I would love to see your face and your smile all the jokes you was a comedy act my brother. Augusto better known as “Daddy Boo” when you left to live in Virginia, I cried that night but now God taking a angel my brother.

I’m going to be standing strong and looking up at the stars my brother. We was so close when I had to fight, you made me fight back my brother. We was just like twins when you cry I cry, I will always remember the good times my brother. But now your up in heaven dancing with mommy and daddy, but thank God your in a better place no more pain no more heartaches my brother. I remember when we use to fight and I would get mad, you started joking and we both started laughing you was my bestfriend my brother. I’ll never forget all the memories we had my brother, you was the only one out of the family that called me “Bae” or “Baby Sis”. I will end it with this, I love you and I know I’ll see you one day love you brother.
