I'm Free with My Brother

Don't grieve for me, for now I'm free,
I'm following the path God laid for me.
I took his hand when I heard his call,
I turned my back and left it all.

I could not stay another day,
To laugh, to love, to work, to play.
Tasks left undone must stay that way,
I've found that peace at the close of the day.

If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss.

Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My Life's been full, I savored much,
Good friends, good times, a loved one's touch,

Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free.

Brother

I hold onto our memories
The ones that are so dear
To try to keep you always close
Now you are not here
You were called, it was your time
But it is so true
You have left a legacy
There was no one like you
You were very special
And I want to say
I feel lost in many ways
You are not here today
But I will never forget you
And I know I have been blessed
To have you for my Brother
Because you were the best...

Love Linda and Mary
