## Obituary

**Wallace E. Williams** (affectionately known as “Hassan”) of Newark, NJ was born to Celestee and the late John Edward Williams on November 3, 1963, in Mecklenburg County, Virginia. On Tuesday, February 24, 2015, Wallace quietly closed his eyes and God sent his angels to take home our loved one.

Wallace received his formal education in the Newark Public School System. He has been employed in various positions through-out his life. His latest accomplishment involved getting his CDL License and working locally within the New York City area as a truck driver until his health failed.

In 1997, Wallace met his soul mate, Christina Chambers and they were later united in Holy Matrimony. They were blessed with many years together as husband and wife.

Wallace had the gift of gab, great sense of humor and enjoyed comedy shows. He had the ability to make people laugh easily which always made you feel better. Wallace also had a love of sports, especially football, which was evident whenever his favorite team, Pittsburg Steeler’s, was playing. You could hear him cheering them on and debating with anyone who dared to challenge him. Above all, Wallace was a caring husband, loving father, grandfather and devoted son to his mother. Spending time with his family meant everything to him and brought him the greatest joy. His memories will live on in our hearts forever as we have been blessed to have had him in our family.

Wallace was preceded in death by his father, John E. Williams, his brother, Abdul Malik Muhammad and his brother-in-law, Jackie Michael Ballard.

Wallace leaves to cherish his memory: his mother, Celestee Williams; his wife, Christina; his loving children, daughters, Sameerah and Teresa; sons, Khalil and Terrell; five grandchildren, Nylah, Sanaa, Sarai, Kai and Amani; son-in-law, Morris and sister, Carolyn; brother, Ricky; and sister-in-law, Shell; and a host of aunts, uncles, nieces, nephews, cousins and friends.

# *A Letter To My Dad*

As I sit here I think about you and all of the memories I have of us. At times we have not always seen eye to eye and we have had our ups and downs but that is because we were so much alike. No one could never tell me anything about you. You have had your challenges in life but who doesn't. I have always loved you through everything. I am so happy that you were here to see me accomplish so many things. God has called you to a better place and you are no longer suffering. I will continue to make you proud and be the woman you said you knew I will always be. I love you so much and I will always love you.

***Love your baby girl,  
Sameerah***

*God saw you were getting tired; A cure was not to be, so  
He put His arms around you and whispered "Come to  
me". With tearful eyes, we watched you and saw you pass  
away; Although we love you dearly, we could not make  
you stay. A golden heart stopped beating, hard working  
hands are at rest; God broke our hearts to prove to us,  
That He only takes the best.*

## *Acknowledgement*

Perhaps you sent a lovely card or sat quietly in a chair.

Perhaps you sent a floral piece If so, we saw it there.

Perhaps you spoke the kindest words as any friend could say.

Perhaps you were not there at all just thought of us on that day.

Whatever you did to console our hearts, We Thank You, Whatever the part.
