Dear Bianca,

Bianca our hearts are broken forever, People tell us that in time the pieces will eventually come back together, If this is true, though hard to believe now, there will always be a space, The piece to which has your name on its place. Tears have been falling now for so long, When we think of your beautiful face it all seems so wrong, You had so much to look forward to and so much left to do, But God needed somebody in heaven who is as special as you. Nothing is the same now and we doubt it ever will be you have been released from pain and suffering, you have been set free. Your story has touched people, all ages, near and afar. On the night you were taken from us, in the sky was a lone twinkling star. Was that you tell us that you had reached home now? And from life as we know it, it was time for you to take your final bow. We miss your voice, your infectious laugh and hearing you sing. Fashion you loved and now you have new accessories a pair of Angel's Wings. The world has lost a wonderful girl, a true and amazing sister. But maybe her goodness was needed to send Bianca you are always around us, engulfing us with your love, Giving us strength, keeping us close and watching over us from above. I love you big sis and I'm missing you always.

Thank
