# *Bernice, Our Beauty*

*She is covered from head to toe with remarkable strength. Her walk was able to stop traffic moving both directions. And as she walked her back supported the looks and stares of the heads she turned. A pleasant beauty, her facial features are so easy on the eyes, a million dollar smile, she gave to the receiver who also found comfort, reassurance, loyalty and humor. Beautiful through and through a genuine beauty and when she speaks you learned that there's knowledge, intelligence and wisdom in her words. My oh my, what an example she set before me. My mother, Our mother is the epitome of a lady.*
