When I Must Leave You

*When I must leave you
for a little while please do not
grieve and hug your sorrow to
you through the years. But start
out bravely with a gallant smile;
And for my sake and in my name,
live on and do all things the
same. Feed not your loneliness
on empty days, but fill each
waking hour in useful ways.
Reach out your hand in comfort
and in cheer, and I in turn will
comfort you and hold you near;
and never, never be afraid to
die, for I am waiting for
you in the sky!*
