He Is Gone

*You can shed tears
that he is gone, or
you can smile
because he lived,
You can close
your eyes and
pray that he will
come back, or you*

*can open your eyes and see all that he has left. Your heart can
be empty because you can't see him or you can be full of the love
that you shared, you can turn your back on tomorrow and live
yesterday, or you can be happy for tomorrow because of
yesterday. You can remember him and only that he is gone or
you can cherish his memory and let it live on, you can cry and
close your mind be empty and turn your back, or you can do
what he would want: smile, open your eyes, love and go on.*
