So Go And Run Free

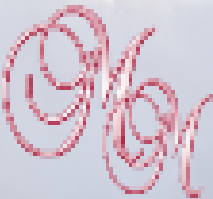

*So go and run free
with the angels, dance
around the golden
clouds, for the Lord
has chosen you to be
with Him and we should
feel nothing but proud. Although He has taken you
from us and our pain will last a lifetime, your memory
will never escape us. But make us glad for the time we
did have, your face will always be hidden deep inside
our hearts each precious moment you gave us shall
never ever depart so go and run free with the angels
as they sing so tenderly and please be sure to tell them
To take care of you for me.*

We will never forget you, love you always Grandpa
