Come With Me

*God saw you getting tired and a cure was not to be so He put
His arms around you and whispered,
"Come With Me"*

*With tearful eyes we watched you suffer and saw you fade
away and although we love you dearly we could not
make you stay. A Golden heart stopped beating hard working
hands at rest.*

*God broke our hearts to prove to us He always takes the best.
It's lonesome here without you we miss you so each day. Our
lives are not the same ever since you went away.*

*When days are sad and lonely, and everything goes wrong,
we hear you gently whisper, "Cheer up and carry on".*

*Each time we see your picture, you seem to smile and say,
"Don't cry, I'm in God's keeping,
we'll meet again someday".*
