Obituary

Amadiou Cupidon, was born on April 8th, 1999 to Arianna Cupidon and Arbitnott Cupidon. Born at five and a half months and only weighing twenty-four ounces. Amadiou's chances of surviving were low but he still managed to pull through. He lived in Orange, New Jersey but went to school in Belleville at 1st Cerebral Palsy of New Jersey where he made so many friends. He was apart of many groups and clubs and was accepted by his school for who he was.

Amadiou had a lot of compassion for everyone and anything he did. Growing up in a family where he received much love from everyone you would see why. He attended 1st Cerebral Palsy but had not yet graduated before his passing. If he were still here he would graduated at age twenty-one with specializations to work in office settings being a secretary or event planner. Although born with Down Syndrome and Dwarfism he didn't let that affect him. He always remained happy and was very witty. He loved making jokes and laughing.

Amadiou loved cooking, it was his passion. Every morning, despite being tired, he would wake up and cook for him and his brother and loved learning new recipes from the food channel. He was also an avid drawer, he loved painting and sketching. He would participate in drawing contests at his school every year. He was also apart of the special Olympics teams and competed in many events at various Track Meets around New Jersey. After having so many surgeries he still managed to have the courage to continue participating in the things he loved to do.

Amadiou supported several groups that brought awareness to various diseases. In his school he saw these conditions and always had a big heart, so he pushed to do whatever he can to help his friends find better ways of living so they could smile just as much as he did. Amadiou has left a lot of work undone and will leave it up to his friends and family at school to complete it and continue on without him.

On Saturday, April 25th, 2015, our beloved Amadiou Cupidon was called upon by our Lord God.

Amadiou was cherished, loved and embraced by many. Among those left to remember Amadiou are: his parents, Arianna and Arbitnott Cupidon; his brothers, Berkins Cupidon (his twin), George Cupidon, Extanson Louis, Bayonne Louis and Stanley Raymond; his loving aunt, Vierge Raymond and a whole bunch of other aunts and uncles. He is also survived by a horde of cousins and in-laws.

Heaven Has Gained An Angel

*As you complete this temporary journey
you have embraced our hearts
Yes we mourn but realize this is where your life
truly starts your smile sparkled greater
than silver and gold
We're willing to let go of your hand
so that God can grab hold .
We will always love you as
you have continued to love us
all we ask now is that you look down
while you are above us we are grateful that
God put us in the midst of your presence
we breathe with your memory and walk with your essence.
The Lord is our Shepherd He tends to us as sheep
and mends the hearts that are weak
until one day we can shake his hand
and sit at his feet we don't think of you
as a loss to our family that remains
We cherish you as a beautiful angel that heaven has gained!*
