God saw him getting tired, a cure was not to be.
He wrapped him in his loving arms and whispered
"Come with me". He suffered much in silence,
His spirit did not bend. He faced his pain
with courage, until the end He tried so hard
to stay with us but his fight was not in vain
God took him to his loving home and freed him from the pain.
Remember the memories and the
Love you shared, till you meet back up again.

Perhaps you sent a lovely card or sat quietly in a chair.
Perhaps you sent a floral piece If so, we saw it there.
Perhaps you spoke the kindest words as any friend could say.
Perhaps you were not there at all just thought of us on that day.
Whatever you did to console our hearts, We Thank You, Whatever the part.
