# Measure Of A Man

What is the measure of a man?

Is it strength?

Intelligence?

Or fearlessness?

The ability to lead others down the right path?

The ability to inspire the seed of greatness

in those who need encouragement?

These are measuring sticks the world uses  
to define a man.

What can't be measured is the soul of a man.

A man's soul is the inward interpretation  
of his outer shell.

May your soul catch fire.

The flames of decency, honor and integrity  
burning bright.

Bright enough to light the way

For hundreds of young men in the dark.

Bright enough to bring honor

To a world forever changed by your presence.

Bright enough to heat the soul's  
of those you leave behind.

The true measure of a man is the legacy he leaves.

Be your husband, father, brother, cousin,  
uncle or friend,

Leave your torch burning brightly,

And we will never allow the flame to die.

As we are all warmed by the fire of a true Man.

I thank God for my husband—a true man,

Lovingly Submitted,

Crystal
