# I'm Free

*Don't grieve for me, for now I'm free  
I'm following the path God has laid for me  
I took His hand when I heard him call  
I turned my back and left it all  
I could not stay another day  
To laugh, to love, to work, to play  
Tasks left undone must stay that way  
I found that peace at the close of day  
If my parting has left a void,  
Then fill it with remembered joy  
A friendship shared, a laugh, a kiss  
Oh yes, these things I too will miss  
Be not burdened with times of sorrow  
I wish you the sunshine of tomorrow  
My life's been full, I savored much  
Good friends, good times, a loved one's touch  
Perhaps my time seemed all too brief  
Don't lengthen it now with undue grief  
Lift up your hearts and peace to thee  
God wanted me now; He set me free*
