# *I Love You Dad*

*I love you Dad with all my heart  
And hate that we should be apart  
Our love is a bond that can't be broken  
You may be gone, but never forgotten*

*I remember the day you went away  
The pain in my heart is every beat  
But I know that eventually, one day  
We will, once again meet*

*The loss is something I can't describe  
I'm really going to miss you  
One day I'll be back by your side  
So I can hug and kiss you*

*There are no words to tell you,  
Just what I'm feeling inside  
The shock, the hurt, the anger  
One day, will gradually subside*

*Things will never again be the same  
And though I'm hurting quite bad  
I will smile whenever I hear your name  
And be so proud to remember my Dad.*

*Sleep well darling Dad, forever in my heart and my thoughts.*

## *Acknowledgements*

*The family wishes to express their deepest and most sincere  
thanks to all who shared with them in this time of sorrow.  
May God bless and keep you in a most gracious way.*
