I'm Free

*Don't grieve for me, for now I'm free
I'm following the path God laid for me
I took his hand when I heard Him call
I turned my back and left it all.*

I could not stay another day.

*To laugh, to love, to work or play.
Tasks left undone must stay that way,
I found that peace at the close of day.*

*If my parting has left a void,
Then fill it up with remembered joy.*

*A friendship shared, a laugh, a kiss,
Oh, yes these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.*

*My life's been full, I savored much.
Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.*

*Lift up your heart and share with me,
God wanted me now, He set me free!*
