# Obituary

**WINSTON PATRICK HEADLEY** was born on January 15, 1950 in Montego Bay, Jamaica to the late Caleb and Gladys Headley. He was the fourth of twelve children, and was from a modest family. Winston attended Anglican Church in Jamaica and was an altar boy as a child, and he was baptized at Faith Temple New Hope Church as an adult.

After gaining his elementary education at Albion All-Age School, he went on to gain his secondary education at Montego Bay Secondary School. From there, he entered the working world, and gained valuable experience in various industries.

In 1974, he migrated to the United States and married Carmen, his longtime love in 1975. Their union was blessed with 4 children, Camelle, Winston Jr., Daverton and Dwayne.

Winston had many jobs during his life. His first significant job became a 13-year career at Public Service Electric & Gas Company (PSE&G), followed by 5 years with United Water. After working for others, he started his own businesses as a Real Estate Investor, a Tow Truck Operator, a Limousine Service Operator, and he even bought and sold cars for a number of years. Winston was very ambitious and persistent. He always found a way to make an honest living.

In fact, Winston was an accomplished electrician, entrepreneur and by any standard an all-around Jack-of-all-trades and he mastered most.

“Wins,” as we affectionately called him, loved music and a good drink; he enjoyed relaxing at home with family and loved hosting a good basement party even if he was the only one in attendance! He loved life, his family, and travelling. Winston was a dedicated father and devoted grandfather and enjoyed spending time with his children and grandchildren.

Winston was an avid family man and successfully pioneered the way for his mother and several siblings to migrate to the USA. He was a loving and caring person, and we all owe him a debt of gratitude.

For countless years Winston’s home was the go-to place for special occasions, such as Christmas and Thanksgiving get-together’s; we have all accumulated lasting memories of the times that we have shared with him that will undoubtedly last for our lifetime. We all loved him and will surely miss him. Fortunately for us all, memories don’t die, so we will cherish the memories of our time with him. Those memories will certainly stimulate countless conversations about him for the rest of our lives.

Winston became extremely ill on October 14, 2015 and eventually succumbed to complications of his illness on December 27, 2015.

Left to cherish his memories are his loving wife of 40 years, Carmen, his only daughter, Camelle, sons Winston Jr., Dwayne and Daverton, son-in-law Chris Redding, daughter-in-law (to-be) Nykema Jones and daughter-in-law Zafi. Grandchildren Kahdeem, Camryn, Ezekiel, Courtney, Kimaya, Itay, Madison, Damon and Kai. Also siblings Delores, Patricia, Bryan, Eutica, Dorothy, Joseph, Lysma, Paulette; and many other close relatives and friends.

Today we bid you farewell, Winston. You are gone from this earth, but you will never be gone from our hearts or forgotten by all of us who love you. Rest in peace until we see you again!

# To Those I Love

*To those I love and those that love me, When I am gone, release me, let me go  
I have so many things to see and do you mustn't tie yourself to me with tears  
Be happy that we had so many years. I gave you my love, you can only guess  
How much you gave me in happiness I thank you for the love you each have shown*

*But now it's time I travel alone so grieve for a while for me if you must  
Then let your grief be comforted by trust. It's only for a while that we must part*

*So bless the memories within your heart I won't be far away, for life goes on  
So if you need me, call and I will come though you can't see me or touch me, I'll be near  
And if you listen with your heart you'll hear all my love around you so soft and clear*

*And then, when you must come this way alone I'll greet you with a smile and say, "Welcome Home."*
